

# PSPA Volunteering

<b>Role</b>	<b>Group Coordinator</b>
<b>Location</b>	<b>Throughout UK</b>
<b>Time commitment</b>	<b>4 hours a month</b>

## About the role

You will be using your life experiences and skills to support people affected by PSP & CBD and their families. With a warm and welcoming outlook, you will join our growing group network and be the person that makes the difference by providing a meaningful resource to those individuals in your local community. You will gain satisfaction from helping to increase the support available and reduce the isolation for people affected by PSP & CBD by offering regular meetings where people can come together to share experiences, information or just chat.

## What's involved?

Our group coordinators provide opportunities for people living with PSP & CBD and their families to get together to share experiences and develop friendships by organising regular meetings in the local area or online. With the help of PSPA you will source and book venues, provide a warm welcome and deal with relevant paperwork.

## What skills do I need?

- Able to make introductions at meetings
- Good communication skills and diplomacy
- Ability to support and motivate others
- Experience of running meetings
- Reliability
- Warm, caring manner
- Good organisational skills
- Ability to make cakes could also be useful-but definitely not essential.

## Rewards of becoming a Local Group Coordinator

- You will make a difference to those living with PSP & CBD and their families
- Increase your knowledge and understanding of PSP & CBD and the work of PSPA

- An opportunity for self-development
- The opportunity to meet new people and make new friends
- The opportunity to be part of a friendly dedicated team.

## Training

We provide a comprehensive welcome package with all the resources and information you need to cover all aspects of the role. There are also chances of further development through annual workshops and other PSPA events. This will also be an opportunity for you to meet and get to know members of staff and increase your understanding of the wider work of PSPA.
